A Prayer of Gratitude

Lord, we thank you for people who guided us

but did not try to possess us: parents, teachers, spiritual guides, friends.

For a time we stood with them.

Very simply, like John the Baptist, they said to us, "Look, there is the one you should follow"

and hearing this we follow that person.

gratitude changes everything

Prayer to God from Exam Students

Grant me faith and courage and put purpose in my days, and show me how to serve you in the most effective ways so all my education, my knowledge and my skill, may find their true fulfilment as I learn to do your will.

And may I ever be aware in everything I do that knowledge comes from learning and wisdom comes from you. Amen.
