The Commons School

As the new school year gets into stride, I would like to express my sincerest thanks to the parents of pupils, past and present, for their generosity and support from my first days at The Commons in 1997 to 'The Goodbye' in June 2019.

Your consistent goodness and cooperation made teaching your wonderful children an extra special time in my life.

My thanks also to an ever supportive Fr. Colm and Board of Management, the indefatigable Parents' Association, the never to be forgotten staff who created a happy place of learning and of course the children from whom I learned so much.

'Thank you' seems inadequate but I enwrap it in a perpetual prayer for your happiness and well-being. God bless.

Ann Hampshire.

It is not just about Migrants

It is not just about migrants:
it is also about our fears and hurts.

It is not just about migrants:
it is about charity and compassion.

It is not just about migrants:
it is about our humanity.

It is not just about migrants:
it is a question of seeing that no one
is abandoned or excluded.

It is not just about migrants:
it is about putting the last in first place.

It is not just about migrants:
it is about the whole person,
about all people.

It is not just about migrants:
it is about building the city of God.
