'Last Man Standing' Winners 18th December 2017 Total Entries: 259

Congratulations to our three WINNERS

Liam Ward Seán Murphy Liam Mc Clean

who receive €200 each

The total prizemoney was €500 but we've added a Christmas bonus to make it €600.

Sincere thanks to everyone who supported this fund-raising effort on behalf of the Restoration Fund which receives €2090.

There were only 4 eliminated after Week 6 which meant there were 38 still standing.

After the first tie-break question (the highest scoring team in Week 6: Liverpool, Man. City & Huddersfield with 4 goals each) there were 11 still standing. The answer to the second tie-break questions was 29 (total number of goals scored in Week 6). As there were no correct answers, the Parish Finance Committee decided that the nearest totals would be adjudged the winners: one competitor had 31 and the other two had **27**.
